Tonight... the ancient Mayan prophecy for 2021 *comes true*...

And all your heart's wildest dreams sparkle to life... starting at <u>2</u> <u>A.M!</u>

Yes, in just HOURS from now! So, please... listen carefully.

I NEED to get you up to speed <u>quickly</u>... and whatever you do, <u>DON'T</u> click away.

This short message might not be up much longer.

Dear one...

Have you been wondering... what the \$#@! is going on right now?

Nike sues over 'Satan Shoes' with human blood

I mean... seriously...

What the ever-loving \$#@!

I know, I know... I'm a guy who meditates. Does Yoga. Loves positive vibes.

I'm not someone who normally gets worked up.

But, I haven't even mentioned the things I'm <u>no longer</u> allowed to discuss. Those topics now forbidden in the Land of the Free.

Fact is... a lot of people are feeling like they've entered into a horror

film from the 70's...

And we're just months away from being told..."Eat up... it's chow time. Here's your human-flavored Soylent Green!"

Well, if you feel like the world's gone mad...

Like the once "trusted experts" can't be trusted anymore...

Like something BIG is going on behind the scenes...

You're 100% right!

EXACTLY on cue, it's all happening as planned.

Over 4,314 years ago Mayan "star charters"...

Along with tons of other world famous psychics and mystics...

Predicted everything that's happening...

Even down to your arrival on this page right now.

Yes, you're here for a VERY important REASON.

A MISSION.

The Mayans prophesied in the year 2021 -- NOT 2012 like you

were told...

Earth would be entering a new cycle...

New high-vibe light energies would flood into Earth...

And a Great Awakening of humanity would rise...

Some interpreted this as the "apocalypse"...

But it's really anything but an ending...

It's the birth of a new **<u>ABUNDANCE-FILLED</u>** reality...

A <u>**RISING**</u>, not a decline...

A new time where we understand the true nature of reality...

And anything and everything you desire manifests to life... upon command.

Nearly instantly.

Imagine... a world without constant lack and scarcity...

No more living paycheck to paycheck...

Now YOUR heart's every desire flashes to life, starting overnight.

From your dream home...

To your dream car...

To a high-paying job you LOVE...

Limitless financial abundance...

Even your one and only soul mate!

As we speak, this new reality is putting FEAR into .001%.

The elites at the top are absolutely terrified of losing it all.

They desperately don't want you to know what's happening.

That's the reason for the censorship...

The anger and division...

Why everything feels so crazy right now...

They'll do EVERYTHING they can to keep the truth from you.

And they definitely don't want you to watch this video.

Heck, they're already trying to get it taken down.

It might not even be available tomorrow...

But, as you're about to experience...

It's too late for those demonic \$#@!'s.

The fact you're here means they've already failed.

While many will have to wait YEARS for the full shift to unfold...

For you, it all begins TONIGHT... starting while you're asleep... at 2 A.M.

Simply Follow A <u>3-Second Ritual</u> Before Bed Tonight... That's It...

And watch as your true gifts to manifest ANYTHING into your reality... suddenly open, overnight!

This "3 second activation" was once a secret of Himalayan dream Yogis... but now it's come to light at this exact moment...

To lift you up and awaken your hidden gifts of manifestation.

So... clear away all distractions. And read every word I'm about to share.

This page could disappear at any second. And you don't want to miss this.

This is your real-life date with your GREATEST destiny...

And I'm Excited To Be Your Guide On This Eye-Opening Journey.

Hi... my name is Alexander Wilson, and with all we've been through lately...

I feel so BLESSED to be here with **you** in this moment. A once in a lifetime event.

I'm a manifestation and spiritual guide who's helped over 32,410 souls across the world create their dream lives.

I made this presentation because I feel like it's my mission to get the TRUTH out...

To help ordinary people like YOU awaken to their TRUE power. The power to manifest the life of their dreams.

We're NOT here to live in constant lack and limitation.

We're here to experience ABUNDANCE.

It's our birthright... no matter what the power hungry elites tell us...

And it's so easy. All it takes is a 3 second bedtime ritual.

Here's what happened after REAL people harnessed this technique before bed...

So... ready to become NEXT?

A shining example of what's possible...

An inspiration for the ages...

All starting at:

Before I show you the 3 second bedtime ritual...

That's going to completely rewrite your **subconscious mind...**

And allow you to manifest your every desire at will...

I must tell you this one more time. It's so important you truly understand this...

Our meeting today is NOT by chance.

The Universe planned for this "meeting of souls."

Events leading to this moment were arranged *before* birth...

It's your DESTINY.

In the next 2 minutes, I'll share with you how we came to be here.

An ordinary story at first...

The stunning twist is one you'll <u>never see coming</u>.

It will shake the foundations of everything you've ever known.

You see...

It all began with a *dear* friend of mine.

A beautiful soul by the name of **Jess**.

Now, one thing to know about sweet Jess...

An empath--she's extremely sensitive to other's emotions...

She picks-up on EVERYTHING.

When she looks you in the eyes...

And asks how you're doing...

She isn't making conversation.

She *actually* <u>WANTS</u> to know.

If you say just "fine"...

Ummm... no. Sorry.

That <u>doesn't cut it</u>.

Because she senses how you're *really* feeling...

Whether you're quietly gloomy...

Feeling left out...

Or maybe underneath a smile, you're anxious.

She <u>really</u> cares...

And has a way of lifting you out of it.

It's <u>so nice</u> having a friend like Jess.

She truly is one of the *most compassionate souls* you'll <u>ever meet</u>.

And... I've gotta say...

If there's one person who *deserves* her dreams to come true...

lt's Jess.

Truth was though...

Jess's dreams *weren't even close* to reality.

After marrying her "Prince Charming"... Erik...

Moving into their beautiful "forever home"...

Adopting 2 adorable puppies...

She thought her "fairytale future" had come true.

But, within months...

She noticed her once positive outlook--gone.

Now--she was always exhausted.

Because around the house, she was doing **EVERYTHING**...

Trying to please Erik...

While he showed **<u>no gratitude</u>**.

Quickly Erik's "Charming facade" was melting away.

Underneath...

A controlling... emotionally distant... non-stop drinker.

Jess desperately tried to save the marriage.

She gave and gave and gave...

While he took and took and took...

No appreciation.

It made her feel POWERLESS at home.

And her work life was filled with mini-Erik clones too.

Maybe the worst taker was the fast-talking head of sales, Chad.

He'd always push onto her...

The <u>worst</u> clients...

The most <u>tedious</u> spreadsheet tasks...

Even projects assigned to him.

He'd always say...

"Come on Jess, take one for the team. It'll only take a few minutes."

Of course, minutes over and over turns to hours!

And Chad took all the credit.

But, as an empath...

Jess didn't have the heart to say "no."

Jess was exhausted. Stressed. Her body--failing.

It was like...

Jess gave and gave...

Others took and took...

And then the emergency room.

Her mom.

Jess rushes over from the office...

And when she gets back...

Somebody "told on her."

Without listening to her side...

Jess was fired.

She later found out the complainer was... Chad.

After all she did for him!

I remember her calling in tears...

Telling me how after she practically ran the place...

Nobody even stuck up for her.

While they should have been celebrating her...

They pretended like she barely existed.

Zero appreciation.

It was around this time the divorce went through.

Now... Jess was left without a job... penniless.

I wanted to help her...

But, there was a problem.

Over the years...

When I'd encourage Jess...

It was like part of her was **unable to change**.

She'd always say things like...

"I've already tried that, Alex."

"It's worked for me this long..."

Or with a sad expression...

"I don't want to change. I'm okay where I am."

Do you have a friend or family member like that?

Someone who's STUCK... *scared* of moving on?

I think we <u>all</u> know that person.

And yes... we've all <u>been</u> that person too.

It's so easy to see from the <u>outside</u> how things aren't so rosy.

But, when you're in it... it's so much harder.

So... how can you lift up someone who's stuck?

Well... after all Jess had done for me...

I wasn't going to give up on her.

I became <u>determined</u> to...

Help Jess Manifest Her <u>TRUE</u> Fairytale Happily Ever After!

But how?

Well, I started with a favorite practice.

Something you can use too.

That night I asked the Universe for a <u>sign</u>...

To lead me towards the **perfect solution for Jess.**

Most of the time "signs" show up when we're awake.

Repeating "angel numbers"...

License plate messages...

Perfectly timed meetings.

But, this time... *something unexpected.*

The Sign Showed-Up In A Dream!

Much of it... a blur...

But, <u>one detail</u> stood out...

While taking a stroll, a curious flying monkey swung onto my shoulders...

And started singing!

I nearly forgot...

But later that day...

While taking a walk in the woods...

I hear a noise in the distance.

A voice... SINGING.

No... it <u>WASN'T</u> a flying monkey.

Not exactly.

Following the melody out of the woods...

I enter a sunlit meadow...

Where a radiant woman sits.

"Blissed out..."

She's playing a harmonium...

Happily singing...

"Jai sita ram... Jai jai hanuman.

Jai sita ram... Jai jai hanuman."

As she finishes, she looks up...

"Hey, there traveler" she says.

"What brings you here?"

"I was going for a walk when I heard your lovely voice." I tell her.

She introduces herself...

Melanie.

She lives in this beautiful meadow...

In an "off grid" tiny house.

There, she teaches Yoga.

And... NOT the kind you've heard of.

When I say "Yoga"...

I'm not talking about the studio kind.

As I discovered...

She Was A "Dream Yogi."

"What's a "dream yogi?" | remember asking.

She responds...

"You know how you go to bed and wake up with a brilliant idea?"

"Well, there's a <u>reason</u> for that" she says.

"Dreams AREN'T what we've been told.

"They're not figments of an imagination run wild.

"That's a LIE society has told us.

"No"... she says...

"<u>Right now</u> is the dream... our everyday waking reality.

"And... what happens at night when we fall asleep...

What we know as "dreaming"...

"<u>That</u> is the REAL WORLD.

"During this REAL WORLD...

"We can create and manifest ANYTHING we want...

"And do it virtually effortlessly.

"We've had it all backwards this entire time."

I didn't fully grasp what she was saying at first.

"But, then she went on...

"When you're asleep... your conscious mind... your "Ego" flips off.

"There's no filter holding you back.

"And now... you suddenly have access to all parts of your mind.

"The 'all-knowing' parts normally <u>closed off</u> when awake."

In other words, the "Dream version of you is the <u>REAL you</u>...

The FULL you...

Your True Self."

In that moment, all the puzzle pieces fell into place.

By BY-PASSING Jess's conscious "daytime mind"...

We could...

Later, I got perfect confirmation...

The song Melanie was singing was to the monkey God, Hanuman.

Just like my dream.

Before I left, Melanie shared with me a simple "Dream Yoga" technique.

The perfect starting off point for Jess.

Something <u>you</u> can try too.

Before bed...take your journal...

Write down one negative BLOCKAGE.

Something you want to overcome.

Around your relationship... your finances... even a health issue.

Writing acts as a communication shortcut.

A way to send an "overnight command" to your subconscious.

Next, before you close your eyes...

Set a **POWERFUL intention** for the blockage to clear... during the night.

That's it!

As you fall asleep, your FULL mind does all the work...

CLEARING the negative pattern from your life.

I showed this simple "Dream Yoga" method with Jess...

She reluctantly tried it.

And... the very next morning...

Jess had news.

A major realization...

That she needed to love herself more deeply...

And sometimes saying "No" is a courageous act of self-love.

For a "giver" like Jess...

This was LIFE-CHANGING.

I was <u>so proud</u> of her.

And so INSPIRED... I started practicing dream yoga too.

If this SIMPLE technique could create overnight breakthroughs...

For someone expecting to fail like Jess...

I KNEW it could work for <u>anyone</u>.

So, I dug deeper...

Read ancient texts...

Studied further with Melanie...

Practiced night after night.

My goal: become a master dream yogi.

That's when the Universe arranged the <u>next divine event</u>.

I stumbled upon the most remarkable discovery.

A breakthrough unlike any I'd ever experienced.

Known to "Dream Yogis" for thousands of years...

I uncovered...

A manifestation secret so powerful it was kept secret for over 3,000 years.

First discovered by Himalayan Dream Yogis... master teachers passed this knowledge on in total secrecy.

Only the most deserving students were chosen to receive this knowledge. And even then, teachers would only WHISPER the secrets through voice pipes. So, no one else in the monastery would hear.

Why the extreme secrecy?

Well, the answer was just revealed...

A group of renowned researchers discovered what the Dream Yogis were protecting. A forgotten organ within our bodies... that when activated... unlocks ANYBODY'S gift of near instant manifestation.

That's right... the REAL secret to manifesting your desires... was a PART of you this entire time.

And it has nothing to do with endless visualizing... affirmations... meditation and everything else we're told to do.

The organ is called "the Thalamus"...

And it's located smack dab in the center of our brains...

Researchers were shocked to find...

The Thalamus can be "Turned on" during a small window during sleep.

Right around 2 A.M.

This period is what I've come to call...

"The 2 A.M. Moonlight Manifestation Window."

You see, 1/3 of your life is spent sleeping.

In an average lifetime, that's around 26 years in bed.

No other activity comes close

Of course... not all sleep is the same.

A <u>LOT</u> happens during the night.

You've probably heard of the sleep cycle.

Stage 1: The first 15 minutes, you transition from wakefulness to sleep.

Stage 2: Body temperature drops. Heart rate rises.

Stages 3 & 4: Muscles relax. Breathing rate drops.

And finally...

Stage 5: REM sleep.

REM cycles happen throughout the night for about 10 minutes.

But, towards the end...

Right around 2 A.M...

REM lasts a *full 60 minutes.*

And it's during this time portal... when magic can be unleashed.

Follow a 3 second bedtime ritual...

And the Thalamus automatically flips on.

Once activated, a "Sound quieting" chemical floods into your brain...

BLOCKING all outside noise.

We fall into a deeper sleep, while at the same time...

Our brainwaves, blood flow, and heart center suddenly shifts into an active "Waking state."

Sounds, smells, visuals and sensations flood into your awareness in the form of dreams.

It's almost like you're awake... only you're NOT. This state ONLY happens during the 2 A.M. sleep window.

The ancient Dream Yogis knew this time as a "Bridge where we cross into the TRUE reality"...

The ultimate Dream Yoga state.

They harnessed it to attain enlightenment. And receive powerful insight from the Universe.

But, for ordinary people...

You'll come to know it as your own personal "Moonlight Manifestation Window."

Because when you're in this state...

It's like your conscious mind is turned off.

And your fears, doubts, and "inner critic"...

Are completely silenced.

And without this noise barrier...

Your subconscious mind is 100% wide-open.

You have full access to your entire mind.

The entire YOU.

Resistance to change DOES NOT EXIST during this window.

And without resistance to change...

There's NO RESISTANCE TO MANIFESTING YOUR DESIRES.

Instead of waiting weeks, months, decades for your desire to arrive... now they manifest starting...

This is how it's SUPPOSED to work.

So, what's the trick to activate the Thalamus...

And fully harness The Moonlight Manifestation Window?

Well, your first option is meditation.

Meditation practitioners spend years chasing the clear state experienced in the Window.

Most never arrive.

Others turn to Psychedelics... LSD... Mushrooms... Ayahuasca.

But, those are unpredictable. An experienced guide is a must.
That's why I created a simple 3 second bedtime ritual...

A technique ANYONE can use to activate and harness the Window.

You see... if you're brand new to my work...

I've created multiple best-selling sound healing programs.

Sound Journey's used by tens of thousands around the world.

So, naturally... after discovering Dream Yoga...

I began wondering if sound healing could enhance the practice.

And what I discovered surpassed my wildest expectation.

I can confidently say this is the greatest breakthrough of my career.

A shortcut to fully harness the Moonlight Manifestation window.

Something I call...

"Vibrational Sound Layering."

Just click play to start the "Sound Journey."

Each second that follows is composed of over...

32 Sound Frequency Layers.

Each one performs a specific task...

And combines into a healing symphony of instant transformation.

Out of these 32, the first 3 layers are most important.

These "Triple Powered" Frequency Bands Are Potent MANIFESTATION ACTIVATORS.

1: The "Deep Sleep" Layer Unlike Anything You've Experienced From Sound...

These *frequencies* wash over you as a "sinking through the floor" feeling.

Many people tell me after listening for the first time...

They experience the best night's sleep of their lives.

This layer is the key to unlocking the **Moonlight Manifestation Window.**

2: "The Storybook Scripting" Layer.

Using carefully chosen hypnotic suggestions...

We'll transmit your desires as a *command*...

To your FULL subconscious MIND...

And set it into action...

Clearing all negative manifestation blockages.

New positive success beliefs are "scripted in."

Your happily ever after manifests to life...

Starting the very next morning!

Finally...

3: The Manifestation Acceleration Layer

By harnessing proprietary "quantum field" energetic sound technology...

We solidify your **positive intentions...**

Deep into your subconscious...

Sending an IMMEDIATE attraction signal out to the Universe.

ALL you desire is automatically pulled towards you...

Like ships in a stormy night towards a lone beacon of light.

Finally... manifestation works on command for <u>YOU</u> too... starting tonight.

Keep in mind...

These are just the first 3 layers.

Out of 32.

But, you can already see how vibrational layering...

Might be the most advanced personal growth technology... EVER.

Deeper sleep... overnight transformation...

Your fairytale happy ending come to life.

In a moment, YOU TOO will give it a try.

But first, I gotta share one last thing about Jess.

When she tried this "Bedtime Ritual"...

Something amazing.

Her transformation went <u>beyond</u> mindset.

And now... all the pieces of her "Happily ever after" manifested to life.

The dream job...

She fell into a "passion career"...

As a private chef.

Now an expert in saying "no" when she felt overextended...

She was attracting the nicest, most *generous* clients.

Her business quickly grew.

And eventually she bought her dream house...

With a giant garden... and full-sized modern kitchen!

And her love life?

Slowly but surely... her heart was healing...

Then one night she clicked "Play"...

And that's when she saw a VISION in her sleep...

HIM... her soul partner.

The next day she met Patrick.

A great cook in his own right...

They partnered to open an adorable New England bed and breakfast.

They're so perfect together.

And yes... financially THRIVING.

As Jess told me, she used to wonder why manifestation didn't work for her...

Little did she know... the key takes only <u>3 seconds</u>.

Click "Play." Then sleep!

After witnessing the transformation Jess experienced...

I couldn't help but think...

"Vibrational Layering" could revolutionize the world.

First though, I wanted to see if it would work for others too.

Originally, I planned a big test group.

But then... the Global crisis.

Millions <u>unemployed</u> in a matter of weeks.

And suddenly...

Vibrational Layering was **now needed more than ever**.

So, I sprung into action...

Recreating my sound journey's...

Focusing them on solving the new major challenge...

Manifesting abundance... NEW INCOME.

And what happened next?

Well, see for yourself...

With no more "inner critic"...

What used to take months, years, even a <u>lifetime</u> to transform...

Shifts overnight.

It's that quick.

And with your permission, I want <u>you</u> to have my Sound Journey's too.

So, you can awaken to the life of your dreams...

Starting at 2 A.M. tonight.

The new focus was on those needing to manifest money.

So, a **major price reduction** was in order.

Not just 10% off...

<u>Not</u> 50% off...

Not even 70% off would fit the scale of the crisis.

The price I settled on is \$1,000.00 \$222.

I'm offering a special sale price.

So, if you're feeling the call deep inside...

If your intuition is saying YES...

I encourage you to listen to that voice.

Now... I have to admit...

Moonlight Manifestation is <u>NOT</u> for everyone.

Over many years, I've found many people hold a deep sense of *unworthiness*.

And when it comes to spending money on themselves...

On the future they want to manifest...

They have what I call a "financial set point."

An amount they feel "worthy" spending on themselves.

And the bottom-line is... if you don't feel deserving enough...

If you haven't had that self-love "aha moment" like Jess...

No amount of savings--even \$950.00 worth--will make a dime's worth of difference.

I get it. I was once in that place too.

BUT... I've found **something amazing happens** when you make the switch...

When you decide YES! I am worthy...

YES! I Am Deserving

The Universe aligns with your new self-image.

Suddenly... a world of infinite abundance opens to you.

So... tune-in right now.

You have the guiding voice within you.

Listen to that voice.

I invite you to open the doors to the life you deserve.

And YES... you REALLY do deserve it.

When you stay stuck...

You resist the flow of the Universe...

It's like there's always an event that arrives to shake you out of it.

For Jess... it was her career.

When she didn't adjust subconscious beliefs about saying "no"...

She was fired, unable to pay her bills.

For me... I've had a very similar experience.

At one point, I was even homeless... sleeping on friends' couches...

For other students of mine, it's been a nasty break-up... a bankruptcy... or sickness.

When you doggedly stay in your comfort zone...

When you refuse to grow...

The Universe finds a way to get you to expand.

Well, right now... we've been experiencing this on a global level.

Have a question about Moonlight Manifestation?

I'm here to help.

Let me answer some of the common questions I receive...

Question # 1: How fast will I see results?

Short answer... you' ll notice shifts literally overnight.

By tapping into the Moonlight Manifestation Window.

It's like you're experiencing months, years, even DECADES of transformation...

In <u>one night</u>.

During your sleep, the conscious or "Ego mind" flips off...

And the window into your subconscious mind spirals wide-open.

No more interference. No more "inner critic."

Vibrational Layering CLEARS unwanted blockages that have been holding you back...

Things like negative emotions... fear, anxiety, worry...

And all of your manifestation blocks.

You'll TRUST the Universe more deeply...

You'll let go of attachments and expectations...

You'll finally set your manifestations into motion with <u>NOTHING</u> holding you back.

Then... once the blocks are gone--all your positive intentions for your life are "scripted" into your subconscious mind.

Imagine... transforming what might have taken you 10 years to shift with personal growth methods...

Overnight!

I invite you to take advantage of the Moonlight Manifestation Window starting tonight.

Simply tap the button below to join us.

Question # 2: I've struggled with manifestation in the past... will this really work for me?

YES...

The Moonlight Manifestation program allows you to tap into the powerful 2 A.M. manifestation portal...

A magical time when your Ego is turned off... and your subconscious is wide-open.

Many spend decades with meditation to reach the state.

Others fly off to the Amazon Jungle for a brief glimpse of this experience... using sacred plant medicines.

Now though... you can reach this altered transformation state <u>every</u> <u>single night</u>.

It's safe... it's fun... and it's extremely FAST.

Anybody can do this.

Whenever I share it with others, they <u>always</u> experience phenomenal results.

While other programs work with the conscious mind turned on...

They always run into resistance.

With Moonlight Manifestation... all the resistance is gone.

All the obstacles that have held you back in the past disappear.

You're by-passing the thinking mind.

That's how I know with 100% confidence Moonlight Manifestation WILL work for you like it has for so many others.

QUESTION # 3: I've been laid off during the global crisis... or I've had it with my existing job. Will Moonlight Manifestation help me manifest a new, higher paying career or income streams?

YES... absolutely.

When the global crisis hit and millions were either laid off, had their hours cut, or were forced to go to a job they hated...

I decided to switch gears.

I re-designed the program to focus on helping people BOUNCE BACK even BETTER than before.

The main two tracks... "Abundance Rising" and "The Divine Block Dissolver" are all you need to blast past your old financial set point...

And start manifesting more income into your life.

Plus, you're also receiving DOZENS more sound journey's that help you expand and grow your income even more.

Maybe the most powerful is the **"Soul's True Purpose Akashic** Journey."

Just listen before bed or as you're going to sleep...

And you'll harness the Moonlight Manifestation Window to tap into your soul's wisdom to discover...

Your MISSION or PURPOSE for why you incarnated here on earth.

When I used this method for the first time, it was a HUGE eyeopener. It changed the course of my entire life.

It's what led me here today.

I have no doubt you'll have the same kind of realization about your life's purpose too.

Simply tap below to be whisked away into the members area.

You can experience it all starting tonight!

And remember... it's 100% risk-free for 60-days with my moneyback guarantee.

So, you have a full two months to give all of the Sound Journey's a try!

QUESTION # 4: How frequently do 1 need to listen to the Sound Journey's?

The two main income manifesting Sound Journey's... Abundance Rising and The Divine Block Dissolver will work on your <u>very first</u> <u>night</u>.

So, you'll start seeing and feeling results RIGHT AWAY.

The Abundance Rising track is where you'll set your "magic number"... the dream income you want to manifest.

Listen once your first night.

Then, listen to The Divine Block Dissolver nightly for your first month.

Each night you'll clear all blocks in the way of manifesting your magic number, one-by-one.

Each of the other Sound Journey's are optional based on what you feel drawn to.

Because all of the Sound Journey's use Vibrational Layering technology, you'll receive BIG transformation... overnight.

What would have normally taken you 10 years to shift... transforms in hours!

I'm so excited to have you with us. I invite you to tap the button below.
